The university offers Chinese language and cultural education, and international students may choose to participate in language enhancement programs before beginning their major studies.

Introduction to the Short-term Student Exchange Program

■ 短期交换生项目是西安工程大学与国（境）外友好合作院校基于友好合作、互惠互利的原则，互派学生进行短期（一般为一个学期）交流学习的项目。西安工程大学组织优秀师资为来校学习的短期交换留学生开设初、中、高级汉语进修课程，重在培养国际学生的汉语语言基础和交际沟通能力。结合学校纺织服装学科专业特色，依托学校中华美服饰文化中心、汉服研究院、时尚创意研究院艺术成果转化平台，跨境服饰文化交流及语言支持研究中心、礼仪文化传播与实践基地，在语言教学中融入中国文化教学，培养学生的跨文化交际能力。根据学生在派出院校的学科专业背景开设一定的专业课程教学，提升学生专业能力及素养。

The Short - term Student Exchange Program is carried out based on the principles of friendly cooperation and mutual benefit between Xi'an Polytechnic University and its partner universities or institutions abroad or in the Hong Kong, Macao, and Taiwan regions. Under this program, students are exchanged for short - term (usually one semester) study. Xi'an Polytechnic University arranges excellent teachers to offer beginner, intermediate, and advanced Chinese language courses for incoming short - term exchange students. These courses focus on cultivating international students' basic Chinese language skills and communication abilities. Leveraging the university's specialties in textile and fashion disciplines, as well as the achievement transformation platforms of the Chinese Beautiful Apparel Culture Center, the Hanfu Research Institute, and the Fashion Creativity Research Institute, and relying on the Cross - border Apparel Culture Exchange and Language Support Research Center and the Etiquette Culture Communication and Practice Base, Chinese culture is integrated into language teaching to develop students' cross - cultural communication skills. Professional courses are also offered according to students' disciplinary and professional backgrounds from their home institutions to enhance their professional capabilities and qualities.
